

SxBC Photo Competition 2026

If you haven't won our Photo competition in the 2 years we have been running it then here is another chance for you.

This is open to all members and the results will announced at the Members Day being held at the Adastra Hall, Hassocks on Sunday the 22nd of November.

The deadline date for entries is Saturday 24th of October 2026.

Rules are as follows:

- Entries are restricted to Sussex Branch members of Butterfly Conservation.
- Maximum of 2 entries per person.
- Only digital images will be accepted and should be sent to events@sussex-butterflies.org.uk in jpeg format. Please use "SxBC Photo Competition" in the subject heading.
- All images are to be of butterflies or moths taken in Sussex in the wild during 2026. Images of moths recovered from traps are not permitted.
- Image files should, if possible, be titled to show the species name and that of the photographer. If unable to do that then please include the information in the body of the email.
- Ownership and copyright of all images will stay with the photographer but SxBC reserves the right to show selected images at the Members Day and on our branch Website and Social Media pages - with credits.
- The deadline for entries is midnight on Saturday 24th October 2026. Entries received after that deadline will not be accepted.

The competition will be judged in advance by 3 judges who, along with the competition organiser, will be barred from entering images.

A Prize will be presented to the winner.
